ORDER:

In the G.O.1st read above, Government issued certain instructions prescribing norms and guidelines for uniform billing of Aarogyasri cases in Govt. Hospitals and apportionment of Aarogyasri funds towards incentives to the concerned.

2. In Ordinance No.1 of 2021 of "The Andhra Pradesh Medical Education and Research Corporation (APMERC), under Clause 12 (1), it has been specified that Government may from time to time, entrust different revenue streams and financial resources from new and existing hospitals, medical colleges or from any other sources by issue of orders.

3. Further, as per Clause 12(2) of the said Ordinance, Government assigned all the revenues receivable by hospitals, colleges and other institutions under the purview of APMERC to APMERC including the revenues receivable from Aarogyasri Trust in such a ratio between the Health Institutions and APMERC, as notified by the Govt. from time to time such revenue stream may include revenue from medical college admission fee, rental amounts from built up space/land within the hospitals/medical colleges, fee from various Govt. Health Care schemes like Aarogyasri etc., for tertiary health care, any other fee on health check-ups, diagnostics or specific treatments in hospitals as approved by Govt. from time to time.

4. Accordingly in the G.O.3rd read above, orders were issued to replace the Clause (a) of Para- 4 of G.O.1st read above, with regard to apportionment of revenues from Aarogyasri in the Government Hospitals with the following:

1. The room charges in toto in the package cost shall be accrued to APMERC.
2. 5% of the remaining package cost after excluding room charges shall be deducted at source by the YSRAHCT for common revolving fund (except in the case of packages relating to Double-valve replacement, Cochlear Implantation, Haemodialysis and Kidney Transplantation).
3. Out of the balance of 95%, 20% shall be earmarked for expenditure related to patient care, 35% shall be utilised for payment of incentives to the staff responsible to provide services to the beneficiaries under the Scheme and remaining 40% shall be accrued to APMERC.

5. In the reference 4th read above, the Chief Executive Officer, Dr.YSR Aarogyasri Health Care Trust, Mangalagiri, Guntur District has informed that in the HoDs meeting held on 8th September 2022,

the proposal on apportionment was discussed at length. Commissioner, APVVP and Director of Medical Education highlighted the issue of lack of patient care funds for meeting the expenditure for drugs, consumables and Implants. It was observed that in the proposal significant quantum is again apportioned to APMERC. The patient care amount has only marginally increased compared to G.O.Rt.No.325, HM & FW (I.I) Dept., dated:25-06-2021 . Also the "hospital stay" charges is not clearly discernable from the available Aarogyasri package rates. Hence it was unanimously agreed that the apportionment mechanism needs to be re-defined based on the overall package rate and significant share has to be transferred to patient care.

6. The Chief Executive Officer, Dr.YSR Aarogyasri Health Care Trust, Mangalagiri, Guntur District has further stated that after detailed deliberation on the pros and cons, following apportionment mechanism has been agreed in the HoDs meeting:

- 40% of the Package Cost would be earmarked for APMERC.
- 30% of the Package Cost for Patient Care.
- 5% of the Package Cost for Revolving fund of Dr YSRAHCT.
- 25% of the Package Cost for incentive to the Health care staff.

and requested the Government to amend G.O.Rt.No.325, HM&FW (I.I) Dept., dated:25-06-2021 as proposed at para-6 above.

7. The Government after careful examination of the matter, have accepted the proposal of the Chief Executive Officer, Dr.YSR Aarogyasri Health Care Trust, Mangalagiri, Guntur District and after careful examination, Government hereby replace the Clause (a) of Para-4 of G.O.Rt.No.134, HM&FW(K2) Department, dated.01.02.2010 read with G.O.Rt.No.325, HM&FW(I.1) Dept., dated.25.06.2021, with regard to apportionment of revenues from Aarogyasri in the Government Hospitals with the following:

- 40% of the Package Cost would be earmarked for APMERC.
- 30% of the Package Cost for Patient Care.
- 5% of the Package Cost for Revolving fund of Dr YSRAHCT.
- 25% of the Package Cost for incentive to the Health care staff.

8. The Chief Executive Officer, Dr.YSR Aarogyasri Health Care Trust, Mangalagiri, Guntur District shall take necessary further action accordingly.

9. This order issues with the concurrence of the Finance (FMU-HM&FW) Department vide their FIN01-FMU0MISC/187/2021-FMU-HMFW, Computer No.1410519, Dt:06-10-2022.
